EXPERIENCE

ACCENTURE

Nov 2018 – Present · 7 yrs 8 mos

Manager – Product Lead

Jun 2025 – Present

- Develop and deliver 5+ persona-based AI applications — built to client requirements and refined through iterative feedback — integrating with enterprise systems via public APIs to automate business workflows
- Lead cross-functional teams of 6+ across multiple countries to deliver enterprise AI and digital transformation programs
- Translate client needs into clear user stories, presenting solutions during the sales cycle to support new business development
- Serve as primary executive point of contact, communicating AI product direction, risk posture, and milestones to C-suite stakeholders

Associate Manager – Product Lead

Nov 2021 – May 2025

- Led teams of 5+ through end-to-end delivery to deploy full platform software implementations, enhancements, and functional support
- Contributed to the design of products across multiple formats, including Excel Macros and Desktop Applications, using Visual Basic and Python
- Contributed to solution architecture and resource planning for enterprise programs valued at \$10M+
- Delivered executive-level presentations to prospective clients with live solution demonstrations

Consultant – Product Lead

Nov 2019 – Nov 2021

- Partnered with internal and external stakeholders to develop multi-year roadmaps, ensuring alignment across functional, technical, and governance milestones
- Drove end-to-end deployment of SaaS-based solutions for global clients across Agile sprint cycles, leveraging JIRA, ServiceNow, and Salesforce
- Launched product features and iterated enhancements based on user feedback gathered post-deployment

Senior Analyst – Enterprise Transformation

Nov 2018 – Nov 2019

- Documented and validated enterprise platform requirements; partnered with team leads to design, test, and deploy SaaS solutions
- Produced technical and functional documentation for end-user training and change management

Finance Specialist

Mar 2017 – Nov 2018 · 1 yr 8 mos

ADVENTIST HEALTHCARE

- Managed a \$13M portfolio of contracts across the full grant lifecycle
- Functional Lead and Change Ambassador on a software implementation spanning 15 departments, 50 employees, and 15 consultants
